We Must Have Cake

By Frances Lee Barton

"WE must have cake occasionally" is a common expression, these days. Even though we cannot enjoy it as often as we formerly did, most of us are determined to have cake, in spite of the fact that we may dip a trifle heavily into some rationed foods. So women are searching for recipes that will assure them of good cake. What must be "scarcer", should surely be "better". Here's a suggestion:

Honey Nut Cake

2 cups sifted cake flour; 2 teaspoons double-acting baking powder; ½ teaspoon salt; ⅔ cup butter or other shortening; ½ cup sugar; ½ cup honey; 3 eggs; 1 cup finely cut nut meats; ⅓ cup milk; 1 teaspoon vanilla.

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream shortening, add sugar gradually, and cream thoroughly; then add honey in thirds, beating well after each addition. Add ¼ of flour and beat until smooth and well blended.

Beat eggs until thick and light and nearly white; add to cake mixture and beat well. Add nuts. Add remaining flour in thirds, alternately with milk in halves, beating very well after each addition. Add vanilla. Bake in greased 9-inch tube pan in slow oven (325° F.) 1 hour and 5 minutes, or until done.

GIVE YOUR DOCTOR a BREAK!

YES, of course, Doctors are busy these days; their burdens heavier because so many associates are in the armed forces. But don't conclude that you're "helping" the Doctor by failing to call on him in time of need. A neglected illness may result in *many* calls—more expense for you. Give your Doctor a break! Call on him promptly at the first sign of illness, then bring his prescription here.

"RADAR" IN WAR AND PEACE

Some of the deadliest weapons of this cruel and deadly war will contribute immeasurably to comfortable, happy living once the fighting is done. As in all wars, developments have been made in the course of this one that would have required many years longer to perfect, without the impetus of necessity.

Foremost on the long list is "radar," the device making such spectacular history in detecting approaching enemy craft and determining distances to enemy forces. "Radar" may come to be as great a boon to humanity in the future as it is a scourge to our enemies now.

It will protect airliners from crashing into unseen mountains or other objects; it will guide ships at sea away from drifting icebergs. It will guard homes from thieves and "make the job of surveying a game." It will guide the blind like a guardian angel, warning dutifully of approaching objects.

The uses of "radar" will be manifold in the interest of peace and good living. It is just, it seems, that the great war weapons which have contributed their share to the necessary carnage of battle, should have their chance to redeem the men of good will who created them, by their even greater contributions to humanity in peace.

ALASKAN VACATION

Maybe you can't go very far on your vacation this year. But, when it's "all over, over there" and the family car is free once again to roam far and wide, there will be new vacation worlds to explore and conquer.

The building of the Alaskan-Canadian highway, which was spurred by urgency of war, has provided a road leading right into the heart of the northern wonderland. Alaska expects big things of the tourist trade after the war. In fact, tourist travel may become to Alaska what it was to such countries as France and Italy prior to 1939.

Alaska's governor, Ernest Greuning, recently said, "Our gold mines may become exhausted; no one knows how long the salmon runs may be depended upon. But you can't exhaust scenery—not glaciers and mountains and vast forests. Those are the things which tourists want, and Alaska has them in plenty."

Best of all, such a vacation should not greatly strain the family budget. So, in years to come, we may answer the "call of the wild" in person—and take the family along.

To Alaska it may prove another "gold rush."

"I'll Have to Call You Back, Grace—I Have Something on the Stove!"

This Month's STAR RECIPE

By BETTY BARCLAY

Eliminate desserts because so many foods are rationed? By no means! Merely substitute new desserts for some that you can no longer have. You'll find many of these new desserts surprisingly pleasing.

Here's our prize dessert for the month. You have cereals on hand, apples are obtainable and you may well spare 1½ tablespoons of precious butter for a dessert that can be stretched into six helpings, if necessary:

Danish Apple Dessert

1½ tablespoons butter
2 cups Post's 40% Bran Flakes, finely crushed
2¼ cups apple sauce

Melt butter in small skillet. Add bran flakes and heat over low flame until crisp and golden brown, stirring constantly. Place thin layer of apple sauce in shallow casserole or in individual dessert dishes or sherbet glasses. Add layer of bran flakes mixture; then add layer of apple sauce; repeat, finishing with layer of apple sauce. Serve immediately with plain or whipped cream. Serves 4 to 6.

NONCRUSHABLE

FIRST IN LINE of summer favorites is printed rayon jersey. CBS actress Audrey ("Bright Horizon") Totter complements her brunette coloring with a carnation pink and green pattern. The classic shirtwaist, casual enough for business or shopping may be dressed up with formal accessories. Audrey initiates a new style by wearing a live pink peony in her hair.

"Date Conscious"? You'd Better Be . . .

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

June 16—stamp 18 in War Ration Book One became valid for purchase of one pair of shoes.

July 1—blue stamps N, P, Q became valid and may be used through August 7.

July 4—red stamps Q became valid.

July 11 — red stamps R became valid.

July 18 — red stamps S became valid.

July 22 — stamp No. 22 in War Ration Book One becomes valid for 1 pound of coffee; good through August 11.

August 7—blue stamps N, P, Q expire.

August 15—stamp 12 in Book One good for 5 pounds of sugar, expires.

August 31—deadline for inspection of tires, C book holders.

September 30—tire inspection deadline for A book holders.

October 31—shoe stamp 18 (in War Ration Book One) expires.

October 31—tire inspection deadline for B book holders.

Guaranteed-Fresh Produce guarantees refreshing salads

These warm days, what's more appetizing than a cool salad? But the "trimmings" must be "just right" if that salad is to be delicious. Safeway is featuring fresh produce and other "goodies" for better salads this week! After you've selected a fine crisp head of lettuce at Safeway, why not squander a few of your shopping minutes inspecting other fresh fruits, vegetables and embellishers? You'll find an appetizing array awaiting your selection—for better tasting salads.

Safeway For Eggs and Other Salad Needs

Dressings give sparkle to salads

If you want those summertime salads to be devoured right down to the last shred of lettuce, then use a dressing that will change the ordinary salad into one of those delicious creations which every member of the family attacks with gusto! Doesn't matter whether it's the old-fashioned kind or a favorite from your grocery. By the way, the cooked mayonnaise given below is a cross between mayonnaise and the salad dressing that's so popular nowadays.

COOKED MAYONNAISE

2 egg yolks
2 tsps. mustard
1 tsp. salt
⅛ tsp. cayenne pepper
⅛ tsp. garlic salt
¼ tsp. celery salt
½ tsp. paprika
½ tsp. Worcestershire sauce
¼ cup vinegar
1 cup salad oil
1 tbsp. shortening
½ cup enriched flour
1 cup water

a. Combine egg yolks, seasonings and vinegar in deep mixing bowl.

b. Add oil without stirring.

c. Make sauce: Melt shortening in top of 1-qt. double boiler. Add flour and gradually add water, stirring until smooth. Cook over rapidly boiling water until mixture is thick and smooth, about 10 minutes, stirring occasionally.

d. Pour hot, cooked sauce into bowl with oil and vinegar mixture and beat with rotary beater until smooth and fluffy, about 3 minutes.

e. Store in covered jar in cool place. Makes 1 pt.

PIQUANT FRENCH DRESSING—Combine ¼-cup vinegar or lemon juice with ¾-cup oil, preferably olive oil. Season with ½ tsp. salt, a dash of pepper, ¼ tsp. paprika and 1 tbsp. sugar. Pour into a bottle or jar containing a bud of garlic and a whole clove. Shake vigorously. Remove garlic after an hour or two if you just want a tiny hint of the garlic flavor. Always shake before using.

HOMAYONNAISE—Beat together 1 egg yolk, 1 tsp. salt, ½ tsp. dry mustard and ½ tsp. sugar. When frothy, add 1 tbsp. vinegar or lemon juice and beat again. Beat in salad or olive oil very gradually, adding just a few drops at a time to prevent curdling, until ¾ cup oil has been added. When mixture thickens, add another tbsp. vinegar or lemon juice and beat again.

FRUIT SALAD DESSERT DRESSING—Combine 1 cup mayonnaise or salad dressing, homemade or prepared dressing, with 1 cup creamy cottage cheese and ¼-cup honey. Serve generously over fruit salad desserts. Delightful for those luncheon salads that are a meal in themselves.

CARELESSNESS starts more than 200,000 forest fires in the United States every year.

Carelessness destroys millions upon millions of feet of timber, now a critical war material. It cripples watersheds that supply hydro-electric power to war industries. And the fighting of forest fires diverts precious labor from factories and farms.

Many persons who start these fires toss away matches and cigarettes that aren't dead out. Many others burn to clear plow land or logging slash or grass or debris and—the fires they started break away into searing, roaring flames that destroy timber, forage, wildlife, and beauty that may never be replaced.

Each of these persons forgot—for a moment. And each thoughtless act was as destructive as if it had been the act of a saboteur.

MILO'S MARKET DE LUXE

6315 MISSION ST.

HERE'S TOP VALUE for Your Ration Points!

Get full return for your family's food ration stamp allotment at this big modern market at the "top of the hill" in Daly City. Grocery, meat, fruit and vegetable, and fish and poultry departments each feature complete stocks and strongly competitive prices, and all are combined in one big shopping center, for your convenience.

At MILO'S you save --- money, points, time and worry. It's THE place that fits your food buying needs.

GROCERY DEPARTMENT

Take advantage, here, of really big-store buying, with full selection of the finest quality brands on the national markets. In exchange for your ration stamps, and for your budget dollars, get the foods you see nationally advertised by reliable processors.

We feature quality names in staple and fancy grocery items, for we've found them to be the most reliable, from the standpoint of both ourselves and our customers. With our exceptionally low prices, and our unusually large selection, it's a combination hard to beat.

MEAT DEPARTMENT

In view of market conditions, we're proud of the way we've been able to protect our customers in the months of the meat shortage. It's taken all the knowledge we've gained in years of market operation but we still claim to be your BEST source of this important food.

Our tremendous volume has helped in holding complete selection of kinds and cuts of choice fresh and cured meats. And that volume was built, and is being held, on three points — quality, service, and price.

YOU CAN REALLY CUT SHOPPING WORRIES IF YOU ---

For the finest quality and most complete selection of fresh fruits and vegetables, visit our racks in the center of this big market. They are loaded down with the best from growers' markets, brought garden fresh each day.

Help your family's health, and the war effort, by serving these foods fresh; conserve canned and processed goods for shipment to our armed forces. For daily menus, or home canning, you'll do better here.

Fresh fish and poultry are not rationed. Serve them often and your family will enjoy them, while you save ration points for other foods. You'll find a wide selection in our big department at MILO'S.

BEST FOOD For QUICK ENERGY

BEST FOR THE ARMED FORCES

BEST FOR YOUR FAMILY

Meat, with its elements of proteins, B vitamins and minerals, is needed in the balanced diet for servicemen and civilians alike. That's a big reason why today's demands, together with present market conditions, have brought on our rationing program.

We know it's discouraging to try to buy sufficient meat for your family, today. But it is important that the nation's health be maintained so the total war effort may not be hampered.

We dealers have had troubles increased many times over, too. And not the least of these is caused by the genuine interest we take in trying to protect our customers in every way possible. There's nothing we leave undone which may aid in solving your meat-buying problems.
